In an effort to accommodate both people attending the Skamania 2000 conference and those who want to venture over to the Skamania Lodge, we have decided hold the next Women in GIS meeting at 6:30 on Wednesday, September 27th.

We are going to gather around the Lounge/Bar area between 6:30 and 7 PM (look for the LARGE fireplace) then we will find a better location to have our business meeting. Look on the message board at the conference if you are having difficulties finding us.

Our goal is to be done by 8 PM so that we have time to visit the Vendor Exhibits both before and after our meeting.
