

# URISA PAGIS

## Revival Kickoff Meeting

### WHAT:

### Kick-off Meeting:

After a long drought we will focus on revitalizing PAGIS and reconnecting with other GIS professionals in the Portland Metro Area. This will be great opportunity to provide input on topics for future meetings, direction and purpose of PAGIS!

*In addition, there will be...*

### Web GIS Services Presentations:

Staff from State and local agencies will be on hand to present and discuss the challenges, opportunities and lessons learned from their efforts to stand up GIS services and applications. The following agencies will present information on services offered through these sites:

- **Oregon Explorer** – Oregon Explorer Map Viewer
- **State of Oregon GIS** - GIS Services and applications available through GEO
- **Metro** - GIS Services available through the RLIS Discovery site

### WHEN:

**Wednesday June 13, 2012**

**6:30pm to 8:30pm**

### WHERE:

**McMenamins Kennedy School**

**5736 N.E. 33rd Ave, Portland**

**Presented By:**

**Portland Area GIS Users Group (PAGIS)**

**Questions:**
