

Central Coast GIS User Group

8/13/2008

Minutes

Attendance: Andra Bobbitt, Debbie Reusser, Eli Adam, Lee McCoy, Scott Branchfield

Presentations:

1. The highlights of the ESRI User Conference were covered and ideas exchanged.
2. Geography Week/Day coming up in November, the school scheduling is in the early stages. Local events may not happen in November. Some transportation and travel ideas were floated for new events. Andra will keep us up to date on this.

Business:

The next meeting is Wednesday, October 8th. The location is EPA - Hatfield. There will a computer running 9.2 for everyone to demonstrate their favorite tricks, time savers, best data sources, etc.

Map Critiques:

One map using representations was reviewed.
