

# Central Coast GIS User Group

## 7/08/2015

### Minutes

Attendance: Stacy S, Neal, Scott, Eli, Farhad, Jen, Geoff, Tad

Current projects include: Databases, property information search, CAD to Arc conversion, Alsea and Siletz intertidal clam surveys, MOOCs, reprocess taxlots by address, ArcGIS Collector offline app, post processing some attributes of field data, ship hauls and city planning.

Presentations: Map Critiques! Several hundred years of maps were reviewed.

Meeting Business: Decided to take no action on having no president. If we need officers, Stacy S and Sandy are both officers and can handle it.

We considered the balance of potential presenters for the symposium. Eli to ask based on that. We made plans to meet in approximately 2 weeks to continue work on the symposium. Email Neal if you want to help.

Geotrivia: Scott offered the below Oregon historically based geotrivia.

Map critiques: This was the whole meeting.

Next Meetings:  
Friday, September 25th - Symposium
