Chapter Business

Meeting Notes approval – Molly Vogt

Decision made: Chris motioned, Robb seconded. Approved unanimously.

URISA, CAB & OneURISA – Robb, Cy

CAB has performed a financial analysis of the OneURISA model. Estimated resulting cost: $270, which is about $100 more than current costs for US and International URISA membership. Will continue to work with the analysis to reconcile the increased cost with the services provided and benefits. Robb represented that the estimated cost was too high to the CAB at the recent meeting in Raleigh, NC. Goal is to unify US Chapter Members with the International URISA. There is a concern that input isn't being received from the full diversity of the chapters and members. Surveys may be useful for soliciting information from a greater population of people.

Action items:
Cy and Dean to discuss past survey instruments and their use in moving the OneURISA model along.

Board President-Elect Update and next steps – Melissa, Molly, Dean

Melissa's job responsibilities have significantly increased and no longer has the capacity to function as the President-elect (and President subsequently).

Proposed solutions at the last meeting:
1. Molly and Dean can fill the role for limited duration
2. Hold discussion about the vacancy at GIA

Discussion:
- The board has neglected leadership development and needs more work. Next steps could be:
  - Have a short discussion at GIA
  - Establish a work group for leadership development
  - Outreach Committee could also play a role
- Alexa reached out to students at PSU to initiate conversation and teach them about ORURISA
- Support expressed for outreach and leadership development for ORURISA.

Decision made: Cy motioned that Molly and Dean continue to fill President and Past-President positions for up to 1-year and to perform the responsibilities of the President-elect. Rich seconded. Approved unanimously.

Action item: include discussion item at business meeting at GIA

GIS Pro Workshops – Keith Massie

Eric Pimpler training for 1-day ArcGIS Pro workshops around OR. Estimated cost: $80 per person per day. ORURISA subsidized with about $1000 last time. Timeframe: Fall or Winter of 2018. Would only take PayPal to avoid check-processing slowdowns. Would look for free rooms with partners. LCOG, Marion County Services, suggested. Eugene or SOU also suggested. Bend/Central Oregon at Deschutes County Services Bldg or OSU Cascades. Winter months can be risky due to weather.

Action item: Keith will provide a one-page description of the ArcGIS Pro Workshops proposal for decision at next Board meeting.
Other business

• John S. and Matt F. are up for re-election in 2018.

Board Committee Updates from Committee Chairs

Board Business & Communications – Molly Vogt

• Candidate web provider reviews to be completed by Retreat (to be held after GIS in Action)

New Audiences – John Bragg

• Will be coordinating a new meeting date by Doodle in the near future.

Existing Relationships – John Sharrard

• no report

GIS In Action – Rich L'Esperance

• Program Chair stepped down and Rich is picking up the slack.
• Vendors and workshops are in good shape.
• Map Gallery is slim (1 registrant)
• Looking for some ways to get conference goers to engage more with the vendors.

Action items:
1. Board members should register for GIA ASAP
2. All: please consider helping Rich to perform the program chair responsibilities
3. Chris & Rich to coordinate on presentation information Chris sent to Jamie.
4. Rich & Theresa to develop some specific requests for help by the Board due to program chair’s departure.
